3) Code of Conduct and Probationary Period

To ensure a safe and enjoyable experience for all children in our care, it is important that children behave in a manner that does not compromise the safety and respect of other participants and staff. Our Site staff will work to correct and manage behavior by using calm and clear direction and guidance.

If a child is unable to co-operate and/or manage their behavior in a program, especially any physical behavior such as touching or hitting, the following steps will be taken:

- Step 1: Centre manager will discuss with parent behavior concerns and document incidents
- Step 2: If behavior does not improve a written warning will be sent to parent / guardian from director (or program coordinator).
- Step 3: If there has not been a satisfactory improvement in behavior, Kids Klub retains the right to remove child program (refuse care) should safety be compromised.

Probationary Period

Each new child is accepted on a four-week probationary period. Parents/guardians are expected to make arrangements for their child if he/she demonstrates an inability to function in our program.

If a guardian has not picked up a child or called by 5:45pm, the caregiver will try to contact the family and then the alternative person/s from the authorized pick up list. If that person is unavailable and the parent has not contacted the caregiver 20 minutes after the site closes, the caregiver is required to notify the Ministry of Children and Families.

If late pick up becomes a problem, you will receive a warning letter. If late pick up is an ongoing problem and reasonable effort has been made to solve it, Kids Klub may choose to terminate care for your child.
